RE/MAX PRESENTS: WHL SUITS UP WITH DON CHERRY TO PROMOTE ORGAN DONATION RAISES OVER \$265,500

Regina, Sask. – The Western Hockey League, in partnership with RE/MAX, is proud to announce that over \$265,500 has been raised through the “RE/MAX Presents: WHL Suits Up with Don Cherry to Promote Organ Donation” campaign, hosted during the months of October and March during the 2017-18 WHL Regular Season.

WHL fans embraced the new program through the purchase of special Don Cherry suit-themed jerseys and by registering to be organ donors at CanadaDonates.ca. The \$265,500 raised is the Kidney Foundation of Canada’s largest public awareness and fundraising campaign for organ donation.

Don Cherry, WHL Commissioner Ron Robison and Jeremy Cossette of RE/MAX of Western Canada presented a cheque for \$265,500 to Kurtis Krug of the Kidney Foundation of Canada prior to Monday’s contest between the WHL’s Swift Current Broncos and OHL’s Hamilton Bulldogs at the 100th Mastercard Memorial Cup in Regina.

“The WHL and our Western Canada-based Clubs are proud to partner with RE/MAX of Western Canada and their agents to help promote the importance of organ donation and support for local Kidney Foundations,” commented WHL Commissioner Ron Robison. “Thanks to our fans purchasing specially designed Don Cherry suit themed jerseys, RE/MAX and the WHL are in a position to make a significant contribution to local Kidney Foundations in Western Canada.”

During the months of October 2017 and March 2018, 17 WHL Clubs played host to themed game nights, complete with a variety of promotions for fans in attendance. Special-edition Don Cherry bobbleheads were given to fans, along with limited-edition Don Cherry trading cards.

“I knew the people of the Western Hockey League would come through, and they came through in spades,” said Don Cherry, on behalf of the Kidney Foundation. “We couldn’t have done it without RE/MAX, our sponsor. \$265,500 is the most we’ve ever raised and when you see something like that, it makes you very proud to be a Canadian.”

On the ice, WHL member Clubs sported unique Don Cherry-themed uniforms, which were then put up for auction, with proceeds designated towards local chapters of the Kidney Foundation of Canada.

“Being involved with the Cherry family and the Kidney Foundation was a very exciting opportunity for us,” said Elton Ash, Regional Executive Vice President for RE/MAX of Western Canada. “As long-time supporters of organ donation across Canada we hope this partnership has increased the awareness about how critical it is to be an organ donor. Many lives can be enriched and saved when you register as a donor.”

During the month of October, “RE/MAX Presents: WHL Suits Up with Don Cherry to Promote Organ Donation” was hosted in Brandon, Calgary, Kootenay, Lethbridge, Moose Jaw, Prince Albert, Regina and Vancouver.

During the month of March, “RE/MAX Presents: WHL Suits Up with Don Cherry to Promote Organ Donation” was hosted in Edmonton, Kamloops, Kelowna, Medicine Hat, Prince George, Red Deer, Saskatoon, Swift Current and Victoria.

The Kidney Foundation is a cause close to the Cherry family. Don’s son, Tim, received a kidney transplant from his sister Cindy. With close to 4,500 Canadians awaiting organ donation today – 76 per cent whom require a kidney – the Cherry family, RE/MAX and the WHL have come together to create this awareness campaign in support of the Kidney Foundation.

About the Western Hockey League

Regarded as the world’s finest development league for junior hockey players, the Western Hockey League (WHL) head office is based in Calgary, Alberta. The WHL consists of 22 member Clubs with 17 located in Western Canada and five in the U.S. Pacific Northwest. A member of the Canadian Hockey League, the WHL has been a leading supplier of talent for the National Hockey League for over 50 years. The WHL is also the leading provider of hockey scholarships with over 350 graduates each year receiving WHL Scholarships to pursue a post-secondary education of their choice. Each season, WHL players also form the nucleus of Canada’s National Junior Hockey Team.

About The Kidney Foundation

The Kidney Foundation of Canada is a national volunteer organization committed to improving outcomes of people with kidney disease. Since 1964, The Kidney Foundation of Canada has contributed over \$115 million to medical research projects to ensure that treatment options and patient results continuously improve.
